If you need he	lp to understand the informa	ation in this policy,	please the school of	fice; 94281909
	parents/carers, students and set the provision of medication cursions.			
This policy				

The Principal may decide, in consultation with parents/carers and/or on the advice of a student's treating medical/health practitioner:

• that the student's medication should be stored securely in the student's classroom if quick access might be required

Richmond Primary School will not:

- in accordance with Department of Education and Training policy, store or administer analgesics such as aspirin and paracetamol as a standard first aid strategy as they can mask signs and symptoms of serious illness or injury
- allow a student to take their first dose of a new medication at school in case of an allergic reaction. This should be done under the supervision of the student's parents, carers or health practitioner
- allow use of medication by anyone other than the prescribed student except in a life threatening emergency, for example if a student is having an asthma attack and their own puffer is not readily available.

If a student takes medication incorrectly, staff will endeavour to:
